The Modern Objects Display Program is a thoughtfully designed modular system utilizing 12"x12", 12"x24" and 12"x36" boards which are displayed in our freestanding floor displays or may be hung on a wall. Each board includes grouped collections (such as bamboo, sea life, branches, leaves, etc.) and is offered at our very generous discount of -50/-30 off list. Each board is pictured with its discounted price. Our minimum requirement for qualifying as a dealer and wholesale pricing is five (5) display boards.

We offer two freestanding floor display options:

- Four sided, revolving display, 16"w x 72"h x 16"d, accommodates 24 boards;
- Two sided, stationary display, 24"w x 80"h x 12"d, accommodates 24 boards.

Please note that both Bath Accessory boards are equivalent horizontally to two 12"x12" boards; the Tile board is equivalent vertically to two 12"x12" boards; and the Oversized Pull board is equivalent vertically to three 12"x12" boards. This information is provided to assist you in planning your display layout and design. These boards qualify as one board toward the minimum requirement of five boards.

As a displaying dealer there are no minimum quantity requirements and shipping is typically within 48 hours of our receipt of your purchase order.

We will drop ship to your customer at no additional charge and lead-time on out-of-stock items is usually three weeks maximum.

Please address any questions to [info@modernobjectshardware.com](mailto:info@modernobjectshardware.com). Thank you for your interest, we look forward to hearing from you.
